

N95 Mask Shape Recommendations

When choosing an N95 mask, use a mask that best accommodates eyewear. The following examples illustrate what to look for in the shape of the mask.

N95 3M 8210

Gerson 2130W

N95 3M 9210/9211

Honeywell ONE-Fit NBW 95V/
Honeywell ONE-Fit N95

Moldex 1500

Icon Nose Pad Adjustments

To make clearance for the mask
 Push **outwards** on the nose pads seen by the **blue arrows**
 and **upwards** shown with the **red arrows**.
